2. Competitive Landscape

Food Service and Distribution Industry Overview

The food service and distribution market has grown steadily driven by rising catering demand, with the top five players, supported by infrastructure investments and M&A activities, emerging as the key beneficiaries

Group catering demand is rapidly growing

Group catering market's growth drivers

Rising care food demand

Aging population demands customized, high-quality catering

Increasing dining-out price

Rising dining-out costs drive greater demand for catering

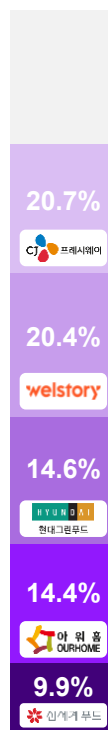

Overseas K-meal demand

Increasing overseas demand for K-meals

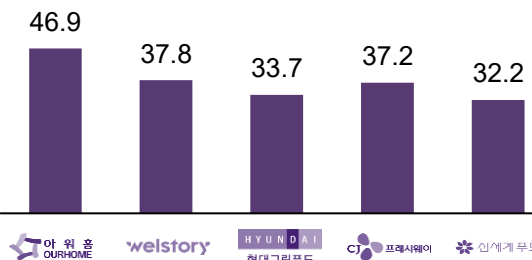

Top players capture all downstream market gains

Market share⁽¹⁾

1 High capital investments

(KRWbn) ■ 5Y average CapEx

- Top players use an average of **KRW37.6bn** for annual CapEx to reinforce manufacturing and logistics infrastructure

2 Active M&A transactions

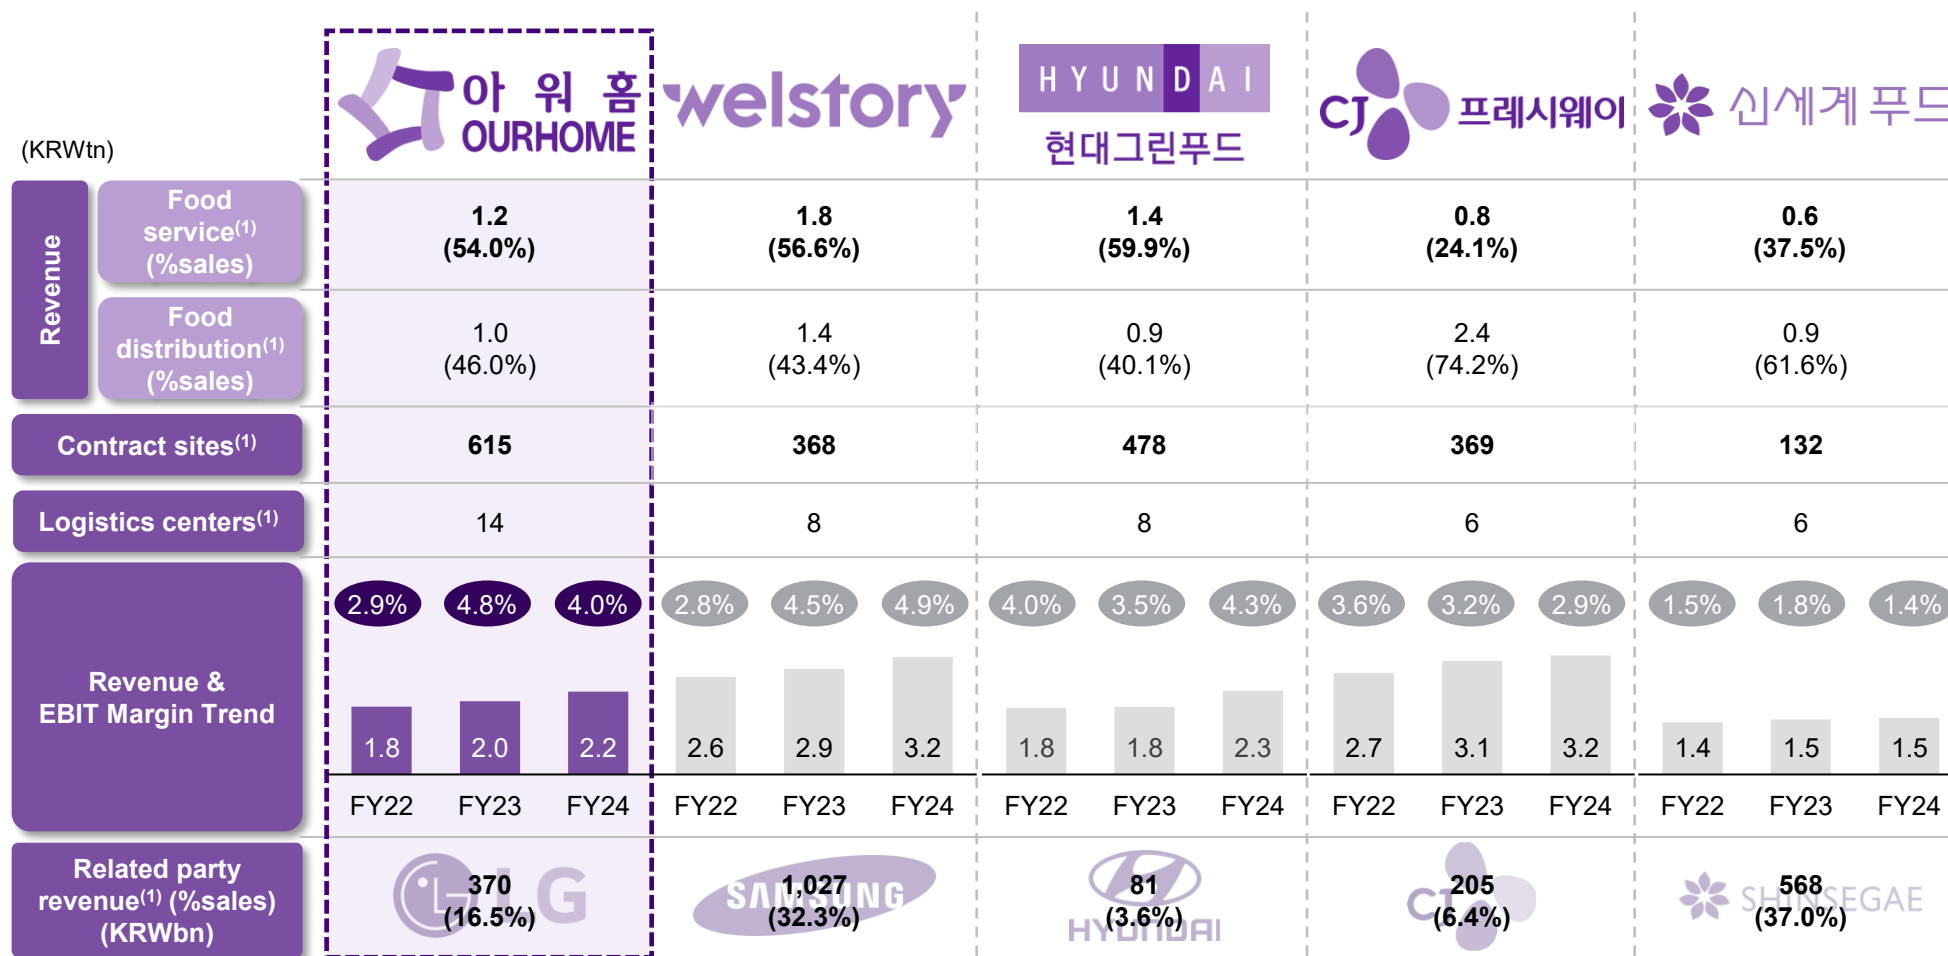

- Jan 2024: Sajo group acquired Ingredion for KRW384bn
- May 2024: Keystone partners acquired Foodallmarket for KRW150bn
- Jun 2024: Sajo group acquired Foodist for KRW252bn
- Apr 2025: CJ Freshway acquired Freshone

Institutional catering requires large-scale meal volumes, favoring top players with established infrastructure and captive demand from affiliated groups

Competitive Landscape

Ourhome leads the domestic food service and distribution industry with the most diversified portfolio and the largest network of food service sites and logistics centers

Key players in the domestic food service and distribution industry

Acquisition rationale

1 Strengthening F&B capabilities through Ourhome acquisition

- Through the **acquisition of Ourhome**, Hanwha Group aims to strengthen its capabilities as a comprehensive F&B solutions provider
- Following the transaction, Hanwha Group intends to **mobilize its full resources** to drive business expansion

2 Leveraging Hanwha's affiliates to expand customer base

- By securing Hanwha affiliates as customers, Ourhome creates **near-term synergies** through captive sales and leverages Hanwha's B2C branding and B2B automation with its own leading infrastructure to become a **comprehensive foodservice platform**

III. Investment Highlights

1. Robust Growth of Food Service and Distribution Market
2. Commanding Leadership within Rapidly Growing Market
3. Integrated Synergy with Experienced Strategic Investor

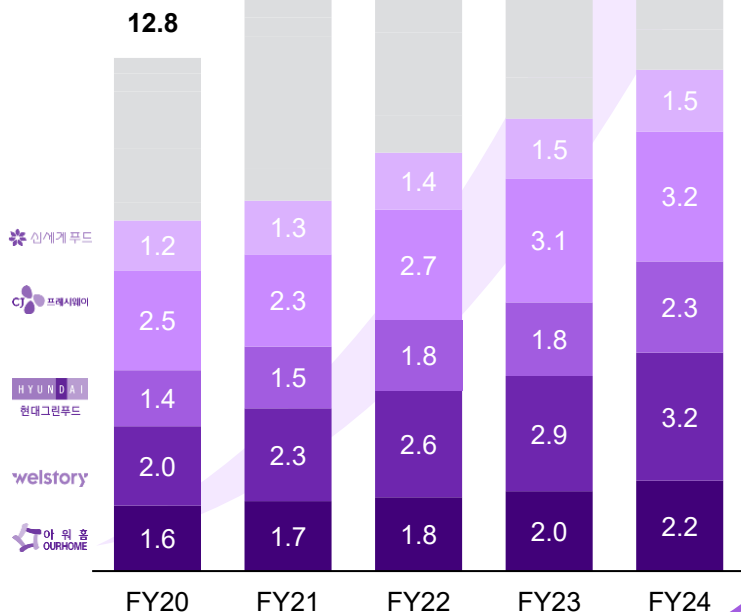

Robust Growth of Food Service and Distribution Market

Food service and distribution market is capturing growing demand for employee cafeterias due to rising dining-out price and domestic players' global expansion

Industry highlight

Food service & distribution market's rapid growth⁽¹⁾

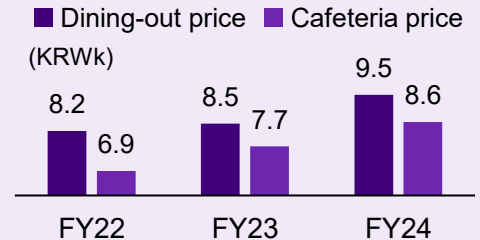

(KRWtn)

Ourhome highlight

1 Increase in demand for employee cafeterias

- Dining-out costs continue to escalate due to **inflation and surge in labor costs**
- Employee cafeterias are experiencing growing demand as a **cost-effective alternative** to dining-out

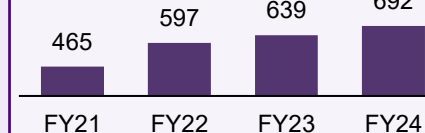

2 Domestic players' global expansion

Global Demand

(KRWbn)

Domestic players' overseas revenue⁽²⁾

CAGR 14.2%

Increasing demand for K-food is driving **global catering demand** for domestic players

Domestic Supply

Domestic players' global expansion

- Ourhome acquired **HACOR**, a U.S in-flight catering company
- Welstory established a subsidiary in Vietnam, including a local academy, R&D center and cold-chain logistics

Commanding Leadership within Rapidly Growing Market

Ourhome benefits from well-established facility distribution, providing scale advantage over peers, while also achieving both growth and efficiency among peers amid global expansion

Industry highlight

Ourhome highlight

Ourhome's Synergy with Hanwha

Well-established Infrastructure

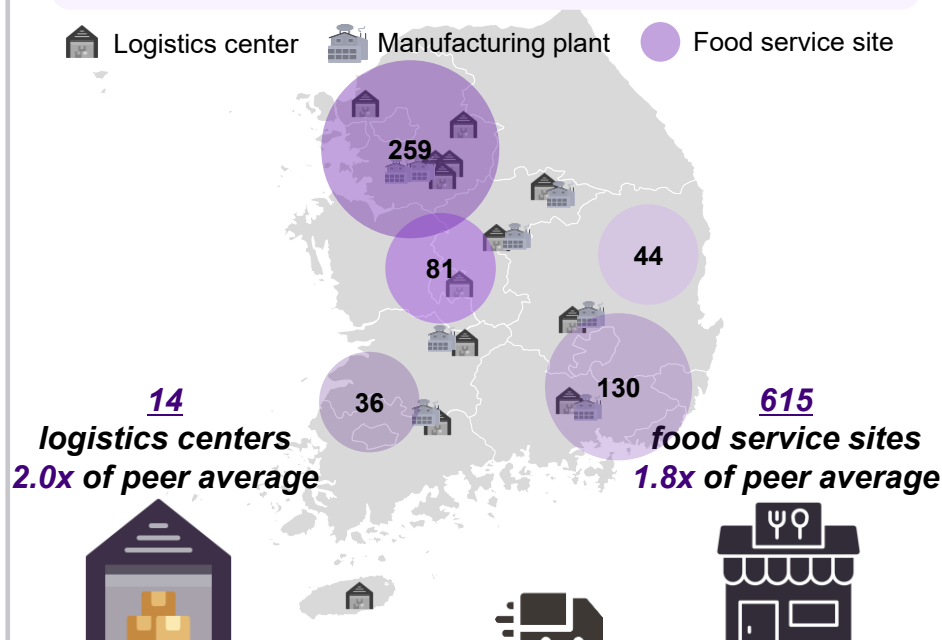

Global expansion

Scale advantage to capture market expansion

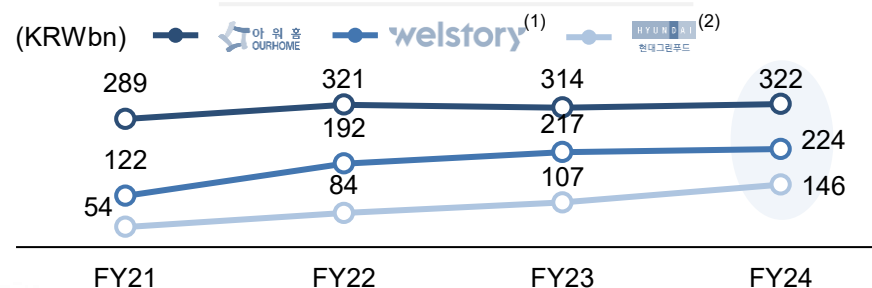

- Ourhome operates contracted food service facilities nationwide, with **1.7 times** more outlets than competitors in Seoul and Gyeonggi, where dining costs are high

Logistics center Manufacturing plant Food service site

Strongest global presence among domestic competitors

Domestic players' overseas revenue

- Established a **local subsidiary in 2004**, and since 2010 has expanded into premium food service operations across 10 cities in China
- Established a **local subsidiary in 2017** through the establishment of a local subsidiary, with hotel operations currently under preparation
- Acquired HACOR** in 2018, supplying an average of 10,000 in-flight meals per day to eight airlines in North America

Integrated Synergy with Experienced Strategic Investor

Synergy expected with the experienced strategic investor, Hanwha Group, while additional bolt-on strategies can further solidify market leadership

Industry highlight

Ourhome highlight

Ourhome's synergy with Hanwha

Synergies from food service

1 Securing captive demand from Hanwha affiliates

- Opportunity to **expand a stable customer base** by operating cafeterias for Hanwha affiliates

Hanwha affiliates

2 Leveraging Hanwha's proven food service experience

- 1995** Hanwha launches catering business
- 2020** Spun off food division into Foodist
- 2024** Foodist sold to Sajo Industries

Hanwha is a strategic investor with extensive experience in food service operations

Synergies from food distribution

3 Vertical integrations with Hanwha's B2C F&B brands

- Distributing ingredients and food of Ourhome to Hanwha's own brands

F&B + Retail + Leisure

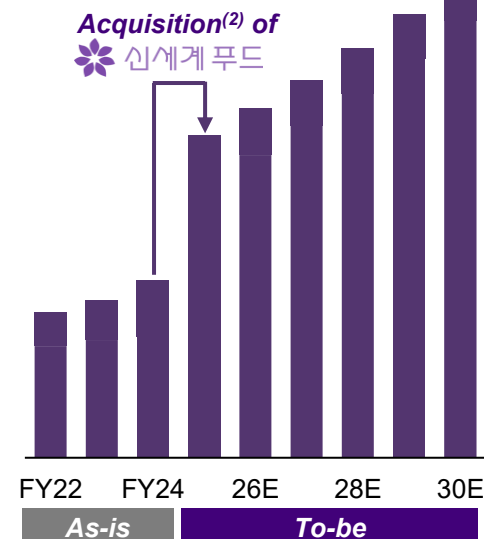

4 Hanwha's advanced technology drives automation for higher margin & quality

- 1 Operational automation**
Ourhome can apply advanced **robotics** of Hanwha to **automate food service** operations
- 2 Cost efficiency**
Ourhome can expand margins by improving **cost efficiency** through automation

Ourhome to-be

Ourhome's yearly revenue growth⁽¹⁾

- Leveraging Hanwha's strong capital base, Ourhome aims to surpass Samsung Welstory to become a **Korea's top leading player** and ultimately a **leading global meal care platform** with a broader TAM⁽³⁾
